

## What you should know:

### Smooth and environmentally friendly collection:

- Return for all brands
- Free return and recycling of emptied containers
- Recycling in certified waste management companies
- Documentation as required by law

Distributors of sales packaging filled with mineral oils, fats, antifreeze, additives and similar products based on oil, are required to participate in a nationwide collection system for sales packaging (containers).

GVÖ is the collecting society for containers in the mineral oil industry, which relieves you of your obligation to take back and recycle containers including documentation for doing so. The GVÖ return system is financed by system partners. It runs smoothly and is completely free of charge for you!

The GVÖ return system can be used by all companies which distribute packaging with certain products from the mineral oil industry.

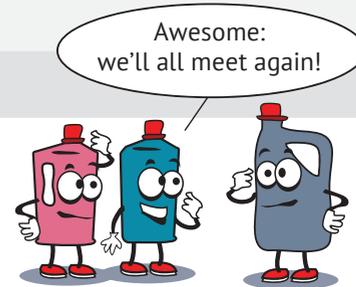

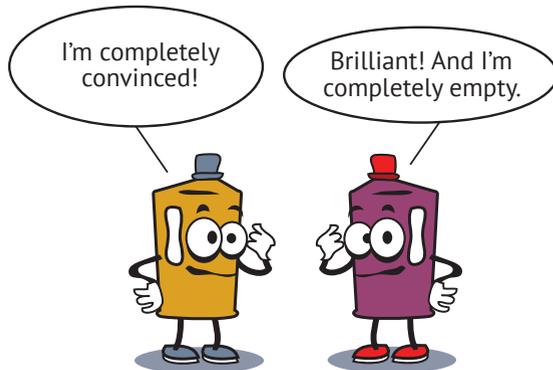

Simply register online and you can benefit from our perfectly smooth-running return service by GVÖ.

## Return with a system

### The reliable solution for old containers

You are required by law to take back empty sales packaging in the form of canisters, tins and barrels and to provide proof of the return quantity.

But no worries: that's why there's the return system by GVÖ!

Collection, proof and transport are completely free of charge to you as a collection point.

**Free!**  
**Participate now!**  
**Problem gone!**  
**Are you in?**

**Good to know:**  
Keep all proof of documentation in a safe place so that they can be submitted to the competent authority on request.

### Register online

Distribution partners or customers of a GVÖ system partner can register with the GVÖ. To do so, go to: [www.gvoe.de/anmeldung](http://www.gvoe.de/anmeldung)

**2.**

### Starter kit

You will then shortly receive GVÖ collection bags free of charge which you can use to store tins and canisters your company has taken back.

**3.**

### Off in the bag

After they have been carefully emptied, you collect the oil containers brought back to you by your customers and those you have used in the GVÖ collection bags supplied by us.

**4.**

### On demand

The easiest and fastest way to do this is to place an order for collection online.  
Or give us a ring.
